Delay in declaration of result of M.C.A. Entrance Examination

*591. SHRIMATI MALTI SHARMA: Will the Minister HUMAN RESOURCE DEVELOPMENT be pleased to state:

(a) whether Government are aware of the inordinate delay by Delhi University in declaring the result of Master of Computer Applications (MCA) Entrance Examination, 1997; and

(b) if so, the reaons therefor?

THE MINISTER OF HUMAN RESOURCE DEVELOMENT (SHRI S.R. BOMMAI): (a) and (b) According to the inforamtion furnished by University of Delhi the results of the written test conducted for admission to MCA Programme of Delhi University have already been displayed. Interviews will be held shortly and the list of successful candidates displayed within the first half of June while the Session will be commencing from 16th July.

The above being the case, there are no reasons to believe that there would be inordinate delay in declaration of the results.

Opening of Agricultural Research Centres in the Country

*592. DR. B.B. DUTTA: Will the Minister of AGRICULTURE be pleased to state:

(a) the details of agricultural research centres, improved seeds centres and other research centres opened in the country to achieve/sustain the objectives of green revolution, State-wise;

(b) whether Government propose to open more such centres, especially in the North-Eastern States;

(c) if so, the details thereof; and

(d) the details of the efforts made for providing benefit to farmers through these research centres?

THE MINISTER OF AGRICULTURE (SHRI CHATURANAN MISHRA) : (a) The details of agricultural research centres, improved seeds centres and other research centres, opened in the country to achieve/sustain the objectives of green revolution are given Statement-I (*See* below)

(b) Yes, Sir.

(c) The details are given in Statement-II (*See* below)

(d) Comprehensive measures for providing benefit to farmers from agricultural research centres and other related centres are:

(i) Improved varieties of crop plants have been released which are reaching farmers.

(ii) Breeder seed production has been augmented which has resulted in enhanced availability of quality seeds.

(iii) Farmers are now adopting integrated pest management measures using bio-control agents, pesticides of plant origin and chemicals with least residual effect.

(iv) Hybrid technology has helped in enhancing the productivity of several crops and notable achievements have been made.

(v) The technology is being transferred to farmers through ICAR Institutes, Agricultural Universities and Krishi Vigyan Kendras by organising frontline demonstrations in farmers fields, farmers fairs, trainings, extension lectures etc. During the last decade (1985-95), about 21.60 lakh

farmers, farm women and youths have been benefitted through various trainings and frontline demostration programmes.

III. Under fisheries, the Central Inland Caputure Fisheries Research Institute (CICFRI) has undertaken activities for the utilisation of inland fisheries resources for the northeastern region. Creation of infrastructure facilities in the form of laboratory buildings, scientists home and residential quarters has been proposed for Guwahati to the tune of Rs. 95.00 lakh. Under this proposed (new) plan schemes on fisheries enhancement in small water bodies a centre has been provided by CICFRI for Assam as component of the North Eastern States. The total allocation, proposed for the Assam Centre is 68.16 lakh for the IX Plan period.

Compilation of fish biodiversity of North Eastern States is proposed to be accorded priority.

The CIFT, Cochin has proposed programmes for developing harvesting techniques for exploitation of fishing resources of the North Eastern States. However, above mentioned proposals will be implemented subject to the availability of funds during IX Plan.

High Court Verdict on Special dispensation Admissions in KVs

*593. SHRI PARAG CHALIHA:
SHRI GOVINDRAM MIRI:

Will the Minister of HUMAN RESOURCE DEVELOPMENT be pleased to refer to answer to starred Question No.381 given in the Rajya Sabha on 21st March, 1997 and state:

(a) whether the matter of special dispensation admissions has recently been disposed off finally by the High Court of Delhi; and

(b) if so, the details of the verdict of the Court and Government's reaction thereto?

THE MINISTER OF HUMAN RESOURCE DEVELOPMENT (SHRI S.R. BOMMAI):(a) yes, Sir. The High Court Delhi has disposed off a writ petition relating to Special Dispensation Admissions in Kendriya Vidyalayas on 11.4.97.

The Kendriya Vidyalaya Sangathan in its affidavit filed in the Court had stated that the Government had decided to abolish all discretionary quotas, and it was absolutely necessary to make certain out of turn admissions the same would be on the basis of clear guidelines to be formulated and would be carried out by a committee specially set-up for the purpose. The Court took note of this affidavit and held the writ Petition to have become infructuous. The Government have decided to follow the directions of the Hon'ble court.
